DETAILED ACTION

Conclusion

This application is in condition for allowance except for the following formal matters:

In claim 97, line 6, there is a word or phrase missing after the phrase "the entry port for connection to a". From reading other claims and the specification, the phrase "laparoscopic insufflator" appears to be the missing phrase. Accordingly, the examiner of record respectfully requests appropriate correction.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

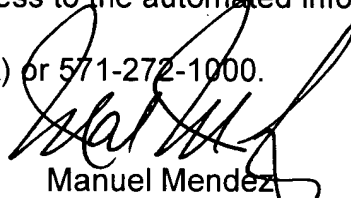

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
